4-Year Plans

- Find YOUR best path
- Identify career goals/interests and post high school plans
- Discuss with your parents
- Where have you been? Where are you going?
- Review graduation checklist and transcripts
- Consider “a-g” checklist
- The Plan should be flexible and modified from year to year based on grades and goals
- How do you plan to “fit it all in”?

Review the “Pathways” book at www.gusd.net

REQUIRED COURSES

1. All Students are required to take at least 6 classes each semester (seniors may take 5 IF on track for graduation).
2. Complete each subject section on your planning sheet for next year.

NOTE
If you want to take a class in Summer School to get ahead, write **(summer)** after that course on your *Registration* sheet and be sure to write 2 alternate choices!

Completing the Registration Form

English

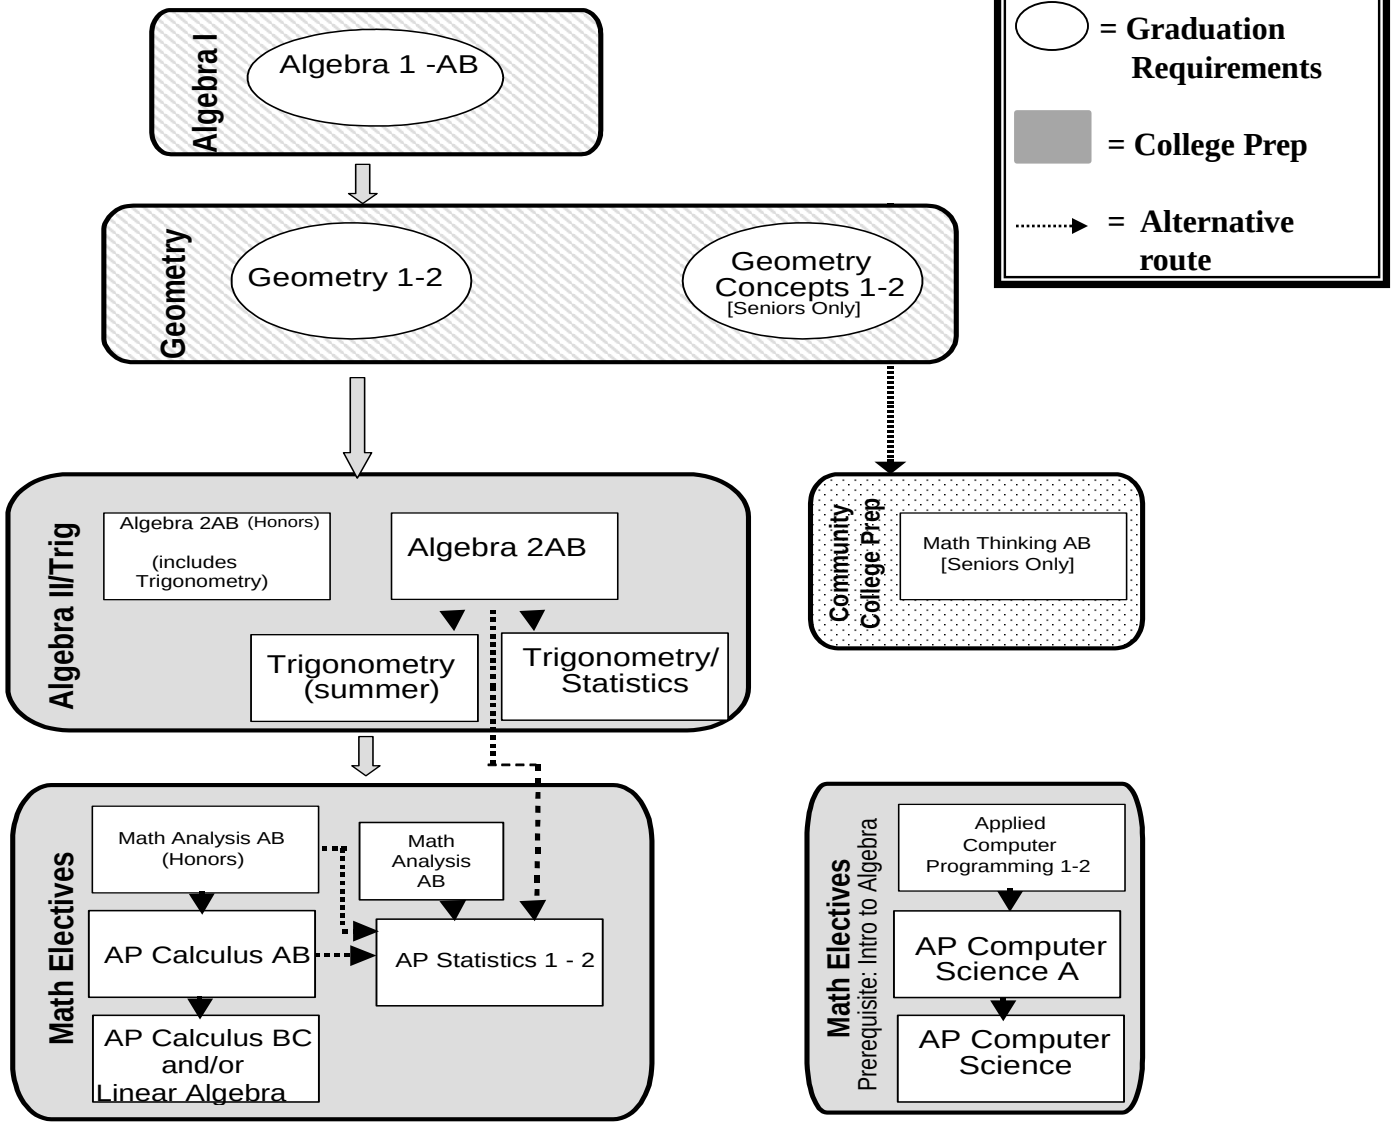

- Circle the desired English or ELD class.
- Do not write an alternate for English. Placement is ultimately based upon the grades you earn this year.
- Counselors will confirm your choices and eligibility before you are placed in the class.

Math

CV requires all students to be enrolled in math for all 4 years.

- Check the Math Flow Chart (next slide) and circle your next Math course.
- Do not write an alternate for Math, unless you plan to take Math over summer to advance.
- IF you are taking math in summer- circle the NEXT sequential class, write SUMMER, then write in the desired math class after summer.
- Counselors will confirm prerequisites before you are placed in the class.

CVHS Math Flowchart

All courses beyond Geometry require a C or better grade to advance to the next level.

Please note: CVHS requires 4 years of enrollment in a Math class.

9th Grade: Health

- In the *9th grade* History/SS section, circle Health and Contemporary World Affairs (CWA).
- If you are planning on taking Health during summer, write "summer" under Health.
- Indicate alternate elective choices.
- CWA is not a graduation requirement. If you take health during the summer, CWA is not required.

Social Science

- Circle the desired level of social science
- If you plan to take Social Science in summer, write “summer” next to the course, and list alternates for next year.
- Counselors will confirm you’ve met the prerequisites before you are placed in the class.

PE: 9th and 10th

- 9th: Circle PE, AFJROTC, Dance, Band or Drill Team next year.
- Sports or Pep Squad (Must try out). If you plan to tryout for next year, write the sport or pep squad on the line provided.
- Register for PE in the student portal.

- 10th: Circle the desired course or write in a sport. If you were on the team this year, register for the sport online.

- 11th and 12th graders may take PE or a sport for elective credit

Counselors will consult lists from coaches for all sports.

Dear Parent or Guardian,

Please help your son/daughter select the most appropriate classes for his/her schedule for the upcoming school year. If your student has expressed interest in taking one or more AP or Honors classes at Crescenta Valley High School next year, consider the following before encouraging him/her to make that commitment:

- AP/Honors courses are college level classes. They are challenging and taught at an extremely fast pace. Students should plan to study **up to two additional hours daily**, **per AP/Honors course**.
- AP/Honors courses should not be taken in order to improve one's GPA. These courses are rigorous, and require maturity, commitment, and perseverance. More course information is available at www.collegeboard.org.
- In selecting courses for next year, consider with your student his/her academic strengths and interests, the rigor of his/her total academic program, commitment to any extra-curricular activities, work or family responsibilities, and work/life balance.

Before requesting that your son/daughter take an AP/Honors course next year, please be aware of the following:

- Enrollment in the desired course/s is not guaranteed. Counselors will ensure that the necessary prerequisites have been met so the student is prepared to be successful in the course.
- Due to scheduling conflicts, it may not be possible to enroll your student in all requested classes.
- Earning a low grade in an AP/Honors course does not entitle a student to drop the class. If a low grade is earned, it will be recorded on the student's transcript.
- **Students will remain in their selected AP/Honors course/s for the entire year. Once student schedules are assigned, no alternate course will be available, and classes may not be dropped.**

Please list below the AP/Honors class/es your student would like to take. We do not recommend that students take more than two AP/Honors courses.

1. _____ 4. _____

2. _____ 5. _____

3. _____ 6. _____

I have read the above and agree to the commitment necessary for success in AP/Honors course/(s).

Online Registration/Q Student Connection

- ALL students will submit course requests online through Student Connection student.gusd.net for 2016-17 school year.
- A PowerPoint and a video explaining the process are posted on the CVHS website in the Counseling Section
- Student username and passwords are on your registration forms. Do NOT lose or share this data.
- Students who lose their student connection log-in information will need to go to the library to get the information from Ms. Gay, after-school ONLY.

Online Registration

- Complete the ONLINE Registration prior to returning your registration form. VIDEO:

https://www.youtube.com/watch?v=nHb_vgc_ELc

- After students submit forms and complete online registration, counselors will meet individually with all current CV students to review everything and make any adjustments.
- Any requests for changes after meeting with the counselor must be submitted on a Change Request Form. Forms are available online and in the counseling office.

Return Forms

Where: To your English teacher

(or History teacher for current 8th graders)

When: By the due date listed. ***(Late forms should be returned directly to your counselor.***
